SHELL FROM U. S. BATTLESHIP PLOUGHS THRU ARMOR PLATE, SAND BANK, HOUSE

Two views of shell after it had ploughed through house; one showing its place of exit.

Indian Head, Md., may be abandoned by the U. S. navy as a proving ground for U. S. shells and armament as a result of the ricocheting of a shell in a recent test. The missile was fired from a 16-inch gun and pierced the heaviest armor plate used by the navy. After it passed through this obstruction it ploughed through a sand bank, thence through the house of a gunner who lived several hundred yards away.

allowed to return home, instead of waiting for each to make application and go through with red tape and delay.

About fifty men here would be affected.

DIAMOND HELD

To Await Examination as to His Sanity as Result of Sending Threats.

(BY ASSOCIATED PRESS)
PITTSBURG, Sept. 21.—Accused of sending threatening letters to President Wilson, Morris Diamond, of Bay City, Mich., was being held by the police Wednesday to await examination by a physician as to his sanity.

Diamond, who was known as James C. Wilson, was arrested by federal agents who decided after questioning him that he was of unsound mind. His first letter was sent to the president last November and it was followed by a number of others. Diamond, the authorities say, labors under the hallucination that the president is responsible because he is unable to secure valuable property in Bay City, to which he lays claim. Diamond came here from Cleveland a week ago.

SOMME REGION BATHED IN BLOOD AS THE ALLIES ADVANCE

French officer commanding his men to advance. Map showing how Comblès and Peronne are menaced. The above photograph was taken on the Somme front just as a French officer raised his cane and commanded his men to plunge forward. Every advance means more maimed and broken men, and the Somme region is bathed in blood. The broken line shows the approximate position of the British battle front previous to the latest great thrust, while the dotted line indicates the gains of the past few days. The insert map shows how Comblès is surrounded on three sides.

ANNUAL STAFF MEETING SOON

In City of Pittsburgh at Which the Fall and Winter Schedules Will Be Adopted.

Passenger traffic officials of the Baltimore and Ohio system will hold an annual staff meeting in Pittsburgh, September 25 and 26, at which schedules for the fall and winter service will be adopted and improvements in service discussed.

The sessions will be presided over by A. W. Thompson, vice president of traffic, who recently assumed the executive direction of that department, and O. P. McCarty, passenger traffic manager. About 200 passenger representatives of the company from points throughout the United States will attend the meetings, which will afford also an opportunity to discuss general business conditions.

Traffic officials from Baltimore and other eastern points will leave for the meeting in a special party next Sunday. Among those who will be present are George W. Squiggins, Baltimore; James B. Scott, New York; B. N. Austin, Chicago; and W. B. Galoway, Cincinnati, general passenger agents; H. B. Farout, New England passenger agent, Boston; W. E. Lowes, Baltimore; W. H. Brown, Cincinnati; F. D. Gildersleeve, St. Louis; and J. P. Taggart, Pittsburgh, assistant passenger agents. District, city and traveling passenger representatives will also attend.

O'TOOLE CASE

Along with Others Comes Up in Federal Court on Arguments on Demurrers.

(SPECIAL TO THE TELEGRAM)
HUNTINGTON, Sept. 21.—Argument was begun Wednesday in the United States district court here on the demurrers to the indictments in the cases of General Edward O'Toole, a member of Governor Hatfield's staff, and nineteen others indicted for fraud in connection with the June statewide primary election in McDowell county. Judges C. A. Wood, of Charleston, S. C., of the

CITY CAPTURED

By Villa in Second Attack, According to Rumors, Which Are Denied.

(BY ASSOCIATED PRESS)
EL PASO, Sept. 21.—Rumors were current here Wednesday that Chihuahua City was captured by Villa in a second attack Tuesday night. General Francisco Gonzalez, commandant at Juarez, and Consul Garcia declared the rumors were without foundation.

According to the rumor the attack was preceded by mutiny of a large part of the garrison. The bandits were said to have occupied the municipal and federal palaces, the penitentiary and two fortified hills.

Consul Garcia and General Gonzalez maintained that although wire communication had been hampered messages received early Wednesday indicated quiet in Chihuahua City.

Honduras has discovered extensive asphalt beds.

CARRANZA'S LINE MAY BE CUT BY VILLA

General Bell's Report Indicates That General Trevino Was Driven Out of City.

(BY ASSOCIATED PRESS)
SAN ANTONIO, Tex., Sept. 21.—Belief that Francisco Villa will soon cut the Carranza line of communication between Chihuahua City and Juarez, if he has not already done so, was suggested by Major General Funston Wednesday, after he had read a report on Villa's Chihuahua engagement received from Brigadier General Bell at El Paso.

Stories gathered by General Bell from persons reaching El Paso from the interior indicate that General Trevino's forces were driven out of Chihuahua City in Villa's Saturday attack and that they took stations on a large hill outside the city from necessity and not from choice as previous reports said. From this hill they succeeded, by the use of artillery, in dislodging the Villistas.

General Funston refused to give out all the details of the Bell report for publication, but he said it confirmed previous accounts of the battle and indicated even more serious conditions than were admitted by the Carranzistas.

"It seems that they had quite a holiday down there", said the general.

PLAN TO AVOID ARMY RED TAPE

Kansans Hit Upon Scheme to Get Soldiers with Families Returned Home.

HUTCHINSON, Kan., Sept. 21.—Action that will be a short cut through red tape to get guardsmen who are married and have dependent families back home from the border to support their families will be taken by a citizens' committee of Hutchinson.

When the guardsmen were first sent to the border a soldiers' families relief fund was raised. From this fund payments are being made the first of every month to the dependent families to raise the soldiers' pay to \$30 per month.

Return Has Been Delayed. Since Congress enacted a law by which married guardsmen can get out of the service efforts have been made to get some of the men back who are needed at home.

But red tape has been a serious obstacle. It is necessary first for the soldier to make application, then affidavits must be sent from home, and then more affidavits are to reinforce the first, and so on. All of which takes time.

How to Avoid the Red Tape. "What we propose to do," explained Bert Berry, chairman of the citizens' committee, "is to take the list of soldiers who have dependent families, get the necessary affidavits, and send them all to Colonel Holsington, with the request that all of these men be
